not enclosed ---

I enclose a copy of Bellary Tahsildar's reference cited above. The form in which the 'Errata' to the Draft Electoral Rolls was ordered to be prepared (vide Govt. Memo.8892/50-1 dated 17.10.50) and Part II of the form of final list of amendments (vide annexure II to G.O.No.4205 dated 6.11.50) being the same, the Tahsildar, Bellary requests to be informed whether it is necessary to prepare separately Part II of the final list of amendments, in view of the volume of work involved. The preparation of Part II of the final list of amendments, merely requires copying of the 'errata' prepared already and involves much time and labour. I request to be informed urgently whether, the Tahsildar can be permitted to correct the heading of the 'Errata' list suitably as suggested by him, as the amendments are very few and do not exceed 10 items, before it is given for printing.

Copy of Bellary Tahsildar's Rc. 4232/50 dated 23-1-51.

Subject: Elections - New constitution - Bellary taluk - Kannada and Telugu preparation of manuscript Errata lists - Final - preparation and printing amendment lists - instructions - solicited.

(A) Reference: Government Memorandum 8892/50-1 (Public Elections Department) dated 17-10-50

According to the Government memorandum cited above, Telugu and Kannada manuscript errata lists to the electoral Rolls have been prepared in duplicate in the revised form. The lists for the entire taluk are kept ready for the approval of the Revising Authority.

2. After the disposal of the claims and objections by the Revising Authority relating to a local unit the final list of amendments for the unit should be prepared in duplicate as laid down in para 4 (1) of G.O.Ms.,4205/6-11-50. The amendment list should be in the form contained in the annexure II to the G.O. referred to above. Part I relates to inclusions under sections (I to IV). This will be prepared as instructed in the G.O.

fr. 11-12 (J) fr 14-end

Part II. Deletions and corrections: (A)

This part of the amendment list is in the same form as that prescribed in the Government memo 8892/50 dated 17-10-50 for writing up the errata list. Errata list have been written in the same form as is prescribed for the amendment list under Part II. Besides the collections noted in the errata lists there are only 8 items of corrections which have been intimated by the voters by infomal applications. Number of objections received in Form VIII is nil. Therefore the errata list will be the amendment list under Part II after its approval by the revising Authority. One copy of the approved errata list can be given straightaway to the Printers with the heading "errata list" corrected as "Amendment list". It is therefore submitted that there will be no necessity to copy out again all the entries of the errata lists in order to prepare Part II of the amendment list. As copying out the errata lists in Kannada and Telugu takes considerable time and delays the work of printing. The amendment list covers about 600 maximum pages in Kannada and about 700 pages in Telugu. The additional 8 items of corrections intimated by voters will be inserted and given for printing the amendment list in the proper serial order.

In the circumstances explained above, I submit that it may be ordered that a copy of the approved errata list should be given to the Press for printing Part II of the Amendment lists with the heading "errata list" corrected as "List of amendments". If necessary the Government may be requested for urgent orders in the matter.

Sub:- Elections - New Constitution - Electoral rolls - M.L.A. and House of the People - Preparation and printing of final lists of amendments.

The Collector of Bellary, while forwarding a copy of the letter from the Tahsildar, Bellary, requests instructions whether the Tahsildar may be permitted to correct the heading of the 'errata list' already prepared, to be in consonance with Part II of the final list of amendments and to give it straightaway for printing as the form of 'erratum' prescribed in Govt. Memo No.8892/50-1, Public (Elections), dated 17-10-50 and Part II of the final list of amendments prescribed in Annexure II to G.O.Ms. No.4205, Public (Elections), dated 6-11-50 are the same. It appears that the errata lists to the rolls of Bellary taluk were not printed and published along with the prely. rolls relating to the units of that taluk. There is, therefore, no objection to have the manuscript errata lists given for printing straightaway, after making alterations in the heading to suit Part II of Annexure II to G.O.Ms.No.4205, Public (Elections), dated 6-11-50 and after omitting the corrections intimated by wire in the proper serial order. A draft memo is submitted for approval.
